### **About This Game**

With the return to the world of Neo.

In this game you need to collect a flight on a stick.

With the mouse clicks, change the direction of rotation and compute to collect as many sticks as possible.

When you feel that you will become a professional, increase the speed or number of sticks.

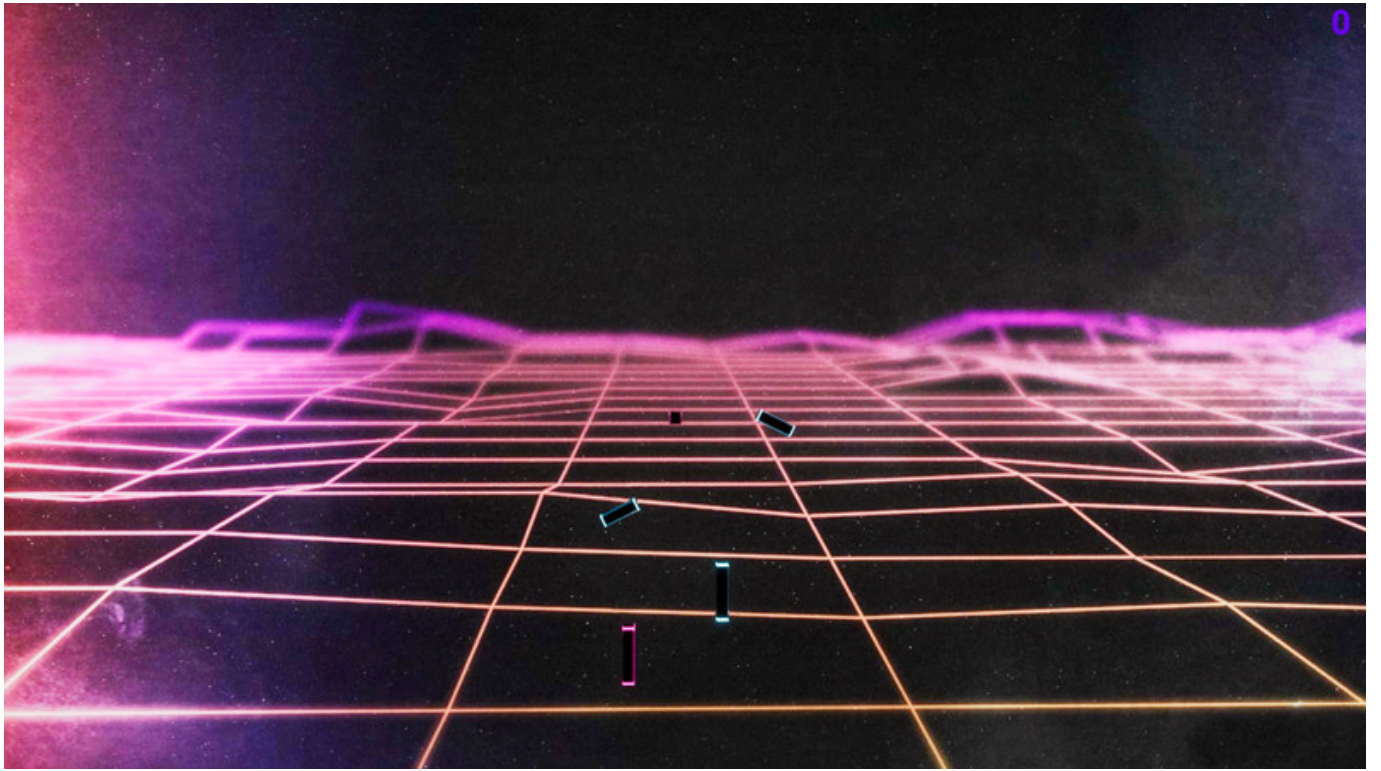

Set highscores and compare them with friends.

You get what you paid for, 5K achievements at minimum price. If you\u2019re an achievement hunter looking to increase the number of achievements on your profile showcase, then I highly recommend buying this. Else don\u2019t waste your money. This is not a game, it\u2019s just a way of distributing achievements.
